

St George's Anglican Church, Travancore

Lockdown for Covid 19 Stage 4 restrictions

Until the lifting of Stage 4 restrictions in Metroplaitan Melbourne (probably until at least at least September 13), there will be NO worship services or other activities at St George's

We will continue to provide various devotional activities which can be carried out at home.

You are welcome to use our garden if it is included in appropriate, permitted exercise activity, but you are asked to keep numbers in the garden well within the physical distancing recommendations. PLEASE LIMIT YOUR USE OF THE GARDEN to ensure privacy and separation

If you would like to receive a weekly letter from me, the Vicar, please email me (see below) to have your email address added to the distribution list.

If you have any concerns or queries at all, or simply need or wish to talk to me, I can be reached on:

0419 334 645 OR vicar@stgeorges.org.au

Fr Richard Murray
Vicar

The Building is Closed
