Thanks to you and all our supporters, **Compassion Australia** received \$97 million in revenue in the 2021 financial year, and 83.6% went straight to our programs.

Thank you for your faithful support for children like Puja, Induwara and Vidhuja. When we come together as neighbours, we can bring hope and change in the lives of children—each one uniquely made and loved by God.

**Thank you**

to Rev'd June Robertson who has graciously stepped in at short notice to celebrate the Eucharist and preach today.

Children attending church are welcome to take a book from our library in the church office.
